

February 7, 2017

Dear Business Owner or Organization:

The Town of Langley is pleased to offer you the opportunity to sponsor our Movies in the Park summer series. Movies in the park will start May 26 and run through August 25, 2017.

Sponsoring a movie in our park would be a great way to create a safe, fun space to bring families and individuals together from all ages and backgrounds. For the 60% of the families in Langley who live at or below poverty levels, the expense of taking a family of four to the movies is insurmountable. This will ensure that each and every member of the Langley area will have the opportunity to attend. What better way to meet neighbors and relax outside during a warm evening than laying out on cool grass and watching a movie under the stars.

This is your opportunity to be a part of one of the best new community events in our area.
