Starks stated that they need to know that they are not bosses, they are liaisons. They are here to help not tell the employees how to do their job. Starks feels that he doesn't know enough and feels like he's not doing the water & sewer department any good. None of the other council members wanted to give up their departments, Starks said he will stick with it till the end of October and then we will re-visit this.

Amanda stated that she would like to start up a food truck night once a month and allow food trucks to set up at the City park. The food trucks will have to purchase a vendor license through City Hall to set up. We have an ordinance for this and its \$15 a day or \$50 a year. This would be the 3<sup>rd</sup> Tuesday of the month and would be from 5-8.
